APPLICATION CATEGORY	SPECIFIC INSTRUCTIONS
Program of Interest	Select: Health Sciences Center>Biomedical Sciences>Biomedical Sciences. Select your areas of interest.
Test Scores	The GRE test is required; subject scores are not required. Unofficial scores may be uploaded here for initial evaluation purposes. Official scores will be required prior to an offer of admission being made.
Letter of Intent	Required. Please include your intended degree, areas of research interest, previous laboratory experience (if any—not required but highly desirable), and objectives in undertaking Biomedical Studies. Please also answer the following questions: <ul style="list-style-type: none"> • How did you learn about the Biomedical Sciences program at UNM? • Have you ever attended the Annual Biomedical Research Conference for Minority Students (ABRCMS)? If so, when? • Have you ever attended the Society for Advancement of Chicanos/Hispanics and Native Americans in Science (SACNAS) conference? If so, when? • Are you a past UNM HSC Undergraduate Pipeline Network (UPN) participant? If so, when?
CV/Resume	Required. Include academic and/or scientific awards and publications.
Relevant Coursework	Only list courses beyond the program prerequisites (“B” or higher).
Transcripts	Transcripts from all universities and colleges attended are required. Please send them to the Biomedical Sciences program directly, not UNM Admissions. Information available at the link below under the “Instructions” tab, “Step Two” section. https://hsc.unm.edu/research/brep/graduate/bsgp/admissions.html
Recommendations	Three (3) letters of recommendation are required. Your references should be either recent research mentors or faculty members at institutions of higher learning. They should be able to comment on your current ability to perform academically at the graduate level and/or comment on your recent research experience.
