

Application Guidelines for: *Community and Regional Planning (MCRP)*

Application Deadline: *February 15 for Fall / Director permission required for Spring*

Application for admissions	Specific instructions
Educational Background	Applicants must upload unofficial transcripts or their application will be considered incomplete. Official transcripts must also be sent directly to the UNM admissions office.
Program of Interest	Select: School of Architecture and Planning > Community and Regional Planning
Letter of Intent	Quality as a writing sample A clear statement of applicant's academic and professional trajectory Recent personal growth and potential Evidence of applicant's personal growth and potential (this is a more subjective criterion, but is based in our desire for students who are committed and motivated, who have already begun their intellectual development and who have real potential to continue that development in this program, and beyond as a planning professional). Fit with CRP program The fit of applicant's interests and background with CRP program (in terms of our community-based philosophy and community focus, natural resources, physical planning and/or community development content emphases, and our concern with issues of equity and social justice).
CV/Resume	The resume should include education, employment, professional experience, publications, service and other accomplishments.
Assistantship Interest	Project Assistantships are awarded annually to a limited number of incoming students. PA-ships in the CRP Program entail 10 hours of work per week for a Program faculty member at \$12.00 per hour. These assistantships garner resident tuition rates for out-of-state students for the semesters in which an assistantship is held. Eligibility is based on receipt of the CRP PA-ship application, here, and on the strength of the application for admission. Email your PA-ship application to the School of Architecture & Planning Graduate Advisor, erowe@unm.edu , by the Program admission application deadline listed above.
Important links	Specific instructions
Recommendations	At least one out of the 3 letters must be from an academic source.
