APPLICATION CATEGORY	SPECIFIC INSTRUCTIONS
Educational Background	If the applicant uploads their transcript to the graduate online application only one official transcript needs to be sent to the Computer Science Department (mailing address listed at bottom of Computer Science website).
Program of Interest	Select: School of Engineering > Computer Science. Select up to 3 faculty members you would like to work with.
Test Scores	GRE required
Letter of Intent	A letter of intent stating your reasons for pursuing a graduate degree, your research interests, your career objectives, general information on your technical and scientific experience, as well as a detailed explanation of special circumstances which might affect your admission. The letter of intent should state whether you desire financial aid in the form of a research or teaching assistantship.
CV/Resume	Required. No special instructions.
Assistantship Interest	Required. No special instructions.
Recommendations	Three (3) letters of reference are required, uploaded to the admission form or sent to the Department of Computer Science using the form available on their website: http://cs.unm.edu/admissions/Letter%20of%20Recommendation2.pdf . These letters should be professional (as opposed to personal or character) references, such as from colleagues, supervisors, or former instructors.
