APPLICATION CATEGORY	SPECIFIC INSTRUCTIONS
Educational Background	Unofficial transcripts are required and should be uploaded in this section.
Program of Interest	Select: School of Engineering > Electrical & Computer Engineering > Electrical Engineering
Test Scores	GRE required. Official results must be sent directly to UNM using institution code: 4845.
Letter of Intent	Please give a brief statement regarding your motivation for acquiring an advanced degree, work or research experience, and if any, interest in or contact with an ECE faculty member.
CV/Resume	No special instructions.
Special Requirements	International published papers in peer-reviewed conference proceedings or journals may be uploaded here (optional).
Assistantships	Assistantships are limited and selection process is very competitive. Please submit a short paragraph stating your ability to be self-supporting or financial need, and if any, experience with teaching undergraduate level courses.
Recommendations	Three (3) online letters of recommendation are required. Please enter your recommendation providers right away to help expedite your application.
