

**Application Guidelines for:** *Mechanical Engineering (MSME) & Engineering – Mechanical Engineering Concentration (PhD)*

**Application Deadline:** *July 1 for Fall / November 1 for Spring / April 15 for Summer*

| Application for admissions | Specific instructions                                                                                                                                                                                                                                                                                                              |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Program of Interest        | Select: School of Engineering > Mechanical Engineering                                                                                                                                                                                                                                                                             |
| Test Scores                | <u><a href="#">Graduate Record Examination (GRE) General Test</a></u> (Institution Code: 4845; Department Code: 1502). The GRE scores are considered for general benchmarking purposes and are examined in the context of all other application requirements.                                                                      |
| Letter of Intent           | This is your opportunity to tell the program faculty about yourself. It does not need to be extremely detailed, but should provide information about your areas of research interest, previous experience and your goals.                                                                                                          |
| CV/Resume                  | No special instructions.                                                                                                                                                                                                                                                                                                           |
| Video/Audio Link           | Not required for acceptance, yet may be uploaded if you wish to include in your application file.                                                                                                                                                                                                                                  |
| Assistantship Interest     | Use this form:<br><u><a href="http://www.unm.edu/~shenyl/Graduate/TA_GA_Form.docx">http://www.unm.edu/~shenyl/Graduate/TA_GA_Form.docx</a></u>                                                                                                                                                                                     |
| Important links            | Specific instructions                                                                                                                                                                                                                                                                                                              |
| Recommendations            | <u><a href="#">3 Letters of Recommendation</a></u> - UNM BSMEs with a GPA of 3.5 (or higher) on their last 60 credit hours of coursework have the option of sending only two (2) letters of recommendation. The letters must be written by professional references such as instructors and supervisors, not friends and relatives. |
