APPLICATION CATEGORY	SPECIFIC INSTRUCTIONS
Educational Background	Complete as directed and include transcripts.
Program of Interest	Select: Interdisciplinary Programs > Interdisciplinary Programs > Water Resources
Letter of Intent	Upload a 1-2 page letter of intent describing your background, interests in water resources, experience in the field, objectives, desired concentration, and future plans.
CV/Resume	Please include a current CV/resume. This complements but does not replace the letter of intent. Both the letter of intent and the resume/CV can be sent to the WRP Office. Please include name, address and complete contact information.
Video/Audio Link	Not required.
Recommendations	Three (3) letters of recommendation are required from qualified to assess the applicant's academic and/or professional qualifications. At least one of these letters must be from a former professor. Letters from friends or personal acquaintances are not acceptable.
