Style + Substance:

Creating a Stunning Academic Poster

Stand out from the conference crowd by learning how to craft a gorgeous and effective academic poster. The first hour of this workshop will cover tips on poster design and content; the second hour will function as a hands-on lab, with design consultants available to advise you on your poster design (bring your own laptop). Come for the first hour, the second hour, or both!

Two chances to attend:
Thursday, March 23rd | 2:00-4:00 pm | CTLB 110
Friday, March 24th | 9:00-11:00 am | CTLB 110

Space is limited; register now to reserve your seat!
