Assistantship Type: Graduate Research Assistant

Department: Management

Pay Rate: Up to $3407 per month based on experience

Tuition Award: Research assistant tuition compensation will include up to 12 credit hours per semester and 24 credit hours per academic year as well as associated enrollment fees (i.e., technology fees, athletic fees, GPSA fees, SHAC eligibility).

Benefit Eligibility: Graduate students who hold an assistantship appointment of 0.25 FTE or greater for at least half of a semester (8 weeks) are eligible for 100% coverage of the health insurance premium by the University under the graduate student health care plan on a semester-by-semester basis.

Anticipated Term: Fall 2023 – Summer 2025, 24 months

Appointment Percent: 50%, approximately 20 hours per week

Application Deadline: September 1, 2023

Position Summary: The Department of Management seeks a Graduate Research Assistant to work assistant to work on an NSF funded project exploring the impact of body-worn cameras on police and community attitudes and behaviors. The GRA will work under the supervision of Dr. Daniel Ravid in the Department of Management in Anderson School of Management. Duties will include assistance in project management, data collection, data analysis, and preparation for presentations in academic conferences. Graduate students will work approximately 20 hours per week on the project.

DUTIES AND RESPONSIBILITIES:
- Conduct literature searches
- Assist in participant recruitment and data collection
- Conduct data analysis using analytic software (e.g., R, SPSS, MPlus, SAS)
- Prepare materials for presentations in academic conferences

Qualifications:
- Applicants must be a University of New Mexico graduate student in good academic standing. Preference will be given to students currently enrolled in a doctoral granting program.
- The position is open to students from a variety of management-adjacent disciplines (e.g., psychology, sociology, criminology, learning sciences, quantitative methods, political science).
• Knowledge and experience in survey research and/or sampling methodologies.
• Interest in advanced research and academic presentations.
• Experience writing literature reviews.
• Experience with data analysis and inferential statistics.

To be employed as a graduate assistant; the selected candidate must meet the following criteria:

• Formally admitted to a graduate program at the University of New Mexico.
• A graduate student in good standing as determined in the sole discretion of UNM administration.
• For Fall and Spring semester, maintain enrollment at the University of New Mexico for a minimum of 6 hours of course work, thesis, or dissertation hours that count toward the graduate degree.
• A 3.0 grade point average in graduate coursework each semester.
• Within the time limit, as specified in the UNM Graduate Catalog, for completion of the degree sought.

Application Instructions: To be considered for this opportunity, please send resume/CV and a brief letter of interest to Dr. Ravid at: DMR@UNM.edu by September 1st for best consideration.

Assistantship holders are represented by United Electrical, Radio and Machine Workers of America (UE).
