WICHE WRGP Participation Request

The Western Regional Graduate Program (WRGP) enables students in 16 Western states and territories to enroll in participating public graduate programs as nonresidents, yet pay the lower resident tuition rate. WRGP is a program of the Western Interstate Commission for Higher Education, a regional higher education agency that supports states, students, and institutions throughout and beyond the American West. <https://wrgpsavingsfinder.wiche.edu/>

Program to be added: _____

Note: if more than one program please submit a separate form.

Program website: _____

Provide a justification for why you want to add the program to WRGP, e.g. program not at capacity, program wants to expand diversity or regional visibility, program has minimal funding available, etc. _____

Will the program limit the number of students participating in WRGP? If so, what is the limit per year or admissions cycle? _____

Will the program limit the time students can participate in WRGP (ex: 2 years, etc.)? If so, what is the limit?

Will admission be limited to fall only? _____
